

## DR. HANS FINZEL - BIO

Dr. Hans Finzel is a successful author, speaker and trusted authority in the field of leadership. For 20 years he led international non-profit World Venture, serving in over 65 countries. Hans speaks and writes on practical leadership principles from the real world—not the classroom. He has written nine books, including his bestseller *The Top Ten Mistakes Leaders Make*. His books have been translated into over twenty foreign languages.

Today he serves as President of HD Leaders, and is chief leadership guru on “The Leadership Answer Man” podcast.

As a listener you will benefit from Hans’s broad leadership experience and knowledge. As an international leader and best-selling author Hans delivers time-honed perspectives that will benefit you. He has traveled the world extensively and has trained leaders on five continents.

Hans’ newest book, *Launch Your Encore* answers the “what’s next” question for Boomer. Explore how to find adventure and purpose later in life with intentionality.
