

LARRY GRIFFITH - BIO

Larry Griffith, CEO of Corporate Chaplains of America (CCA), loves God, people, and business. Larry has walked with Christ since his childhood and brings more than three decades of leadership experience at a Fortune 250 firm, in the non-profit sphere, and as a Naval officer. At the pinnacle of his business career with ALLTEL, he led more than a thousand employees with annual P&L responsibility exceeding \$1.5B. He considers his role at CCA as the magnum opus of his life and is energized by their quest to see 6,000 people a year come to Christ through their Chaplains building caring relationships in the workplace.
