## ***Standing on the Wall Prayers to Preserve the Integrity of a Nation***

Jannah Scott

*Standing on the Wall* is a heart-felt manifestation of the sincere prayers of intercessors who have committed their lives to pray for the United States of America. The book focuses on prayers that each person can pray as we seek peace, prosperity and preservation for our Nation, its leaders and its people.

Filled with prayers founded in the Word of God and reflecting upon the US Constitution, this book is a way to express to God that we acknowledge His omniscience and omnipresence in our history, our lives and our future. It is the author's hope that people all over the country use this book to pray for the integrity of this great Nation to be preserved.

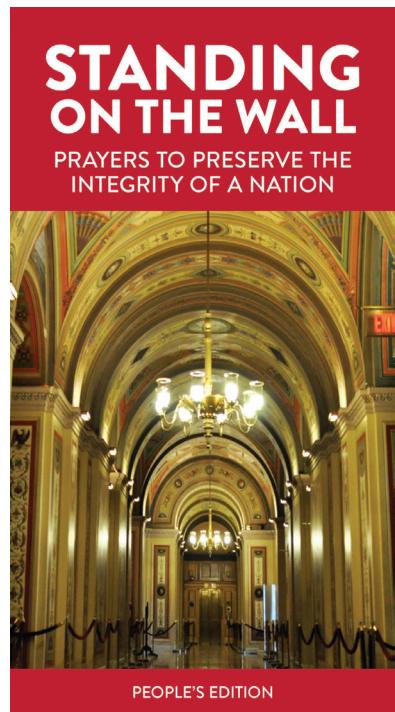

**"Standing on the Wall challenges us to break down  
the walls of division and cry out to God together."  
—Dr. Terry Lee, Founder, White House Prayer Initiative**
