OUR STORY

Pinnacle Forum was inspired by Dr. Bill Bright, Founder of Campus Crusade for Christ International, who challenged a handful of leaders in 1995 in Phoenix, Arizona saying, “I believe the only way we can change our culture is to find a way to network our high influence leaders and inspire them to use their influence for God.”

Three of these leaders (Merrill Oster, Terry Hamlin and Bill Dodder) later hiked up Pinnacle Peak in Scottsdale, Arizona and prayed that God would raise up leaders who would respond to this challenge and steward their influence accordingly.

Their prayers were answered, and they began convening small peer groups around the city that aimed to encourage one another spiritually, to share Christ with their peers, and to challenge each other to use their leadership position and resources in strategic ways for the glory of God.

In 2001, Pinnacle Forum began to replicate this model throughout the United States, now providing inspiration and the networking mechanism for leaders across America to magnify Christ.

VISION

To see influential leaders **execute** their God-given purpose and foster a flourishing, God-honoring culture.

MISSION

To **encourage** and **equip** influential leaders through confidential Forums, supported by a national network, to **engage** in personal and cultural transformation that honors Jesus Christ.

THE HEARTBEAT OF A FORUM & PEER COMMUNITY

The Forum experience is where *long-term* deep relationships are built. Leaders move beyond their own limits to experience only what God can do through them and through a body of Christ-following peers working in harmony to spur one another on to the *good works* specifically purposed by God. **These are high-impact peer relationships.**

- ◆ Partners participate in a 100% confidential setting.
- ◆ They will strive for well-being in every facet of life.
- ◆ They will develop, work through and share their Cultural Impact Plan with their Forum.
- ◆ They will have further opportunities to connect with Partners outside of their Forum.
- ◆ They will experience the biblical, vocational and wellness benefits with being in an intentional community like this.

OUR FOUR “E” STRATEGY

- ◆ **Encourage:** We encourage you to build one another up and to pursue eternal significance. 1 Thess. 5:11
- ◆ **Equip:** We equip you for both personal & cultural transformation. Colossians 1:28
- ◆ **Engage:** We engage the culture as we discover our God-given purpose. Hebrews 10:24-25
- ◆ **Execute:** We execute intentional strategies for cultural transformation. Ephesians 2:10

HOW PARTNERS TRANSFORM THE CULTURE

LISTEN TO THEIR STORIES ON OUR STEWARDING YOUR INFLUENCE PODCAST

WHY PARTNERS TRANSFORM CULTURE?

They desire to live out “love thy neighbor” in word and deed by stewarding their influence in the culture to share the love of Christ and employ a biblical worldview through their God-given calling.

Such leaders live out, “With God all things are possible” and do not settle for mediocrity but deeply desire to walk the path with Christ to maturity and to be empowered for greater servant-leadership. Leadership that exemplifies meekness and boldness, where God’s strength and power are exerted through our surrender and obedience to His truth, His will, and His Kingdom.

WHAT IS THE PARTNER COMMITMENT?

Partners are expected to invest **\$1,500 per year** to the movement. This can be paid in one sum by check or credit card or **deducted in \$125 increments on a monthly basis throughout the year by credit card**. Pinnacle Forum is a 501(c)3, and your Partner donation is tax-deductible.

KINGDOM IMPACT & CULTURAL TRANSFORMATION

From local city transformation efforts to global initiatives, our Partners are coming from purposeful, cross-disciplinary leadership areas of development to influence the seven cultural mountains through the execution of their Cultural Impact Plan.

Cultural mountains of engagement include:

- ARTS/ENTERTAINMENT • BUSINESS • EDUCATION • FAMILY
- GOVERNMENT/MILITARY • MEDIA • RELIGION

STRATEGIC PARTNER CONNECTIONS

There are several opportunities for synergistic collaborations between Partners beyond the weekly Forum. The Forum may provide for one or more strategic connections, but the primary purpose of the Forum is to encourage one another to pursue what God has called each one to do. Those passions may not be aligned, however, such alignments are likely to occur within the greater Partner network.

These additional opportunities are national, Partner only, groups that meet at least twice a year via video-conferencing. There will also be periodic regional in-person gatherings.

- ◆ **Seven Mountain Groups**
- ◆ **Interest Groups:** examples would be our Author Suite, Coaches/Speakers/Mentors and City Transformation.
- ◆ **Women #pfsisterhood Group:** All women Partners connect monthly to brainstorm and pray.
- ◆ **Specific Requests To Find a Connection:** Our team will seek to match Partners upon request when there is a need for skill-sharing or a collaborative opportunity.
- ◆ **Partner Directories:** Partners can also locate and reach out to other Partners through the national directory and their group directories.
