

Nancy Batterman - BIO

Nancy Batterman is a role model of leadership, kindness, and love who shows her values in all she does by honoring God and being a minister for Christ. Using her 30+ years of nonprofit leadership experience, Nancy supports Christian women business owners and nonprofit CEOs/Executive Directors to solve their greatest challenges and reach their greatest potential and success. She has a track record of being a trusted resource and passionate advocate to Christian women by creating strong networks where they can come together in truth and with honesty, kindness, wisdom and support.

Her extensive nonprofit experience and her MBA bring a unique combination of perspective, knowledge & expertise to help her clients develop effective business strategies, grow their organizations and perform at a high level of success.

Through her executive coaching services for both business & non-profit companies, Nancy utilizes The ProActive Strategic Excellence process which evaluates organizations so they can get focused, disciplined & aligned to take their company to the next level.

Nancy is active in her church and is a member and facilitator with Pinnacle Forum. She also enjoys RVing with her husband of 42 years.
