

## **Denny Hanrahan – BIO**

Denny Hanrahan has been a believer in Christ for more than four decades and has navigated management in the business world for over 25 years through many trials and triumphs, diligently seeking answers from the Lord on how best to live and lead.

Years of “thinking through his pen,” resulting in stacks of journals, led to his desire to share the peace and joy he learned in them with others.

Denny’s passion for God’s Word and his pursuit of greater intimacy with Him led to the creation of this work and Plan Be Life, LLC, whose mission is to cultivate a spirit of “Being before Doing” and “Success through Surrender.”

Denny has been married to his wife, Jill, since 1987, and has two adult children, John and Georgia. They currently reside in the great state of Texas.
