

## **Kevin McGary – Bio 2023**

Kevin McGary is an entrepreneur, author, and public speaker.

Kevin serves as co-Founder of Every Black Life Matters (EBLM) and also as Chairman of the Frederick Douglass Foundation of California.

WOKEd UP! is the fifth book Kevin has authored.

With background, passion, and keen observation of the momentum of dramatic changes in culture and society, all his previous books delved into the arenas of politics and theology. This book is different! It is strictly designed to confirm and help combat the many powerful forces producing overarching transformational influences seeking to unmoor global populations from morals and traditions.

In that regard, this book is focused on the moral principles of the “Woke” movement. While he has amassed decades of service in the IT industry, Kevin is now solely committed to combating evil forces wherever they exist!

He seeks to awaken those asleep thus....WOKEd UP!
